Dear Bill,

A conductor obtains beautiful sounds from a symphony orchestra, a director orchestrate a great event.

We beleive that God chose you to be the great Director and Councilor that you are.

When mother chose you to handle her Funeral, her wisdom shone. shone again.

Bill, as Bertha Laskoski's family walks along the path of bereavement we will find that the directing and counseling you gave us made this trying time in our lives an easier path to walk.

There was no pressure applied to the family for any of your wonderful services offered only helpful answers to our questions.

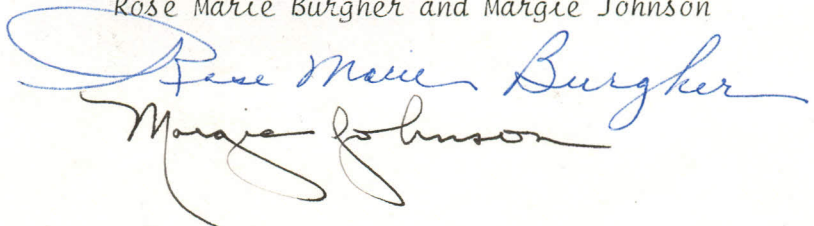

Thank you so much for careing for Mother and for all you did to make this event a great and lastin memory in our lives.

Your great work that you did in preparing Mother gave us a feeling after we saw her that she had not died but was peacefully sleeping because she looked so natural.

God has certainly given you a talent that we have not witness before.

Best Wishes and Heartfelt Thanks,

Rose Marie Burgher and Margie Johnson
