

Dearest Billy and Family,
For your gift - bless you.
But for the years of good service -
done with love and compassion - there
are no words to express the fullness
of my heart. With quiet dignity, kind
direction, loving duty you have made
the sad days of my life - peaceful and
in accord to my beloved husband's most
fervant desire of order and dignity
in all service to God and man. Bless you.

Pam
