Dear Bill,

This note is in thanks for all the comfort and professionalism you extended to me and our family at our brother Peter's funeral and burial.

The family mentioned what a beautiful funeral he had. His shiny brass urn and engraving were gorgeous. At the cemetery when you brought Peter's cremains to the burial site, holding those beautiful red roses in your arms, made a moving moment. I was real proud of you.

Thank you Bill, for extending your excellent services and compassion to all of us.

Fondly,

*Julie S. Sedlack*

PS: We all (4) got a letter from Lofty Oaks in New Hampshire of your generous gift in Peter's memory. A living memorial to Peter in Michigan-- what a nice gesture! We all thank you and the Chopyak-Scheider Funeral Home.
